Chief's Report (Exams and Coursework, published to students and external examiners – NOT required for resit examinations)

- Brief discussion (if necessary) as to why marks are outside expected range.
- Cohort feedback: What went well? What were the common errors or misunderstandings?

Marks outside the expected range impacted by exceptional circumstances surrounding Covid-19 requiring a closed book examination script to be sat externally under open-book conditions.

No common errors; any misunderstandings arose from failure to read part questions properly.
